

Online Application for Card Membership

Want to load a Kindle or other mobile device with free e-Books, e-Audiobooks, e-Magazines and Freegal mp3s – all from the comfort of home? Apply online now for a *Bethlehem Area Public Library* card by completely filling out the form below, and all of our online *e-Resources* will be a click away.

As soon as you receive your new card in the mail, it will give you access to e-Books and other online resources through our website at www.bapl.org. But it cannot be used to borrow materials from the library until proof of address and valid photo ID are presented in person. To fully activate your card, come in anytime during normal business hours and present your new card, proof of address and photo ID at the front desk.

Note: BAPL library cards are available only to residents of Bethlehem, Bethlehem Township, Fountain Hill, and Hanover Township (Northampton County). Falsifying residency information in order to obtain a library card is a violation of the law.

Please fill in completely. All information is **required**.
